A message from the Headteacher

Dear Parents and Carers,

The penultimate week of the academic year has been another warm one! Thank you to all parents and carers who came to school on Friday morning for the learning showcases. The children love showing off their work to you and it also serves as a fantastic opportunity for them to develop their speaking skills.

A special mention in this week's message must be dedicated to our children in Year 6. What a wonderful year group they have been! From rising to the challenge of preparing for their government tests in May to representing our school in sports events, open days and welcoming visitors to our school. They have truly been wonderful examples of RUAH and we couldn't be prouder. We hope that they enjoy their last ever week in primary school and for those who are going to different secondary schools, we hope that you keep in touch with each other. Reach for the stars and always aim for the best! Always remember that respect, understanding, affection and humour are by far the best qualities that you can have; they hold much more value than any material possessions.

Sports day for children in Years 2-6 is on Wednesday at Horspath Athletics Track. However, we need your help. The cost of coaches is very expensive but more information will be released on Monday.

Our school closes next Friday 17th July @12.30pm for the summer holidays. Please note that there is no Bosco club on this day and children must be collected on time.

Have a lovely weekend!

With best wishes
Ms Davies and all the staff

This Week at Our Lady's

🏆 Cheering on England Together! 🦁🦁🦁

The children had a fantastic time watching the England match together in school on Monday.

It was wonderful to see everyone cheering on England, celebrating together, and enjoying the excitement with their friends. The atmosphere was filled with enthusiasm, teamwork, and lots of smiles!

We're delighted that the children had the chance to share such an exciting sporting moment and create some wonderful school memories together.

Come on England! 🦁🦁🦁

Debating Success for Our Lady's Year 4 Pupils

Our Lady's debate team travelled to Headington to join two other schools for an exciting afternoon of debating a range of topical issues.

Sara, Luca and Aurora from Year 4 were fantastic and represented our school exceptionally well. They confidently debated subjects including, "Should we spend money sending people to the moon or helping people on Earth?" and "Are mobile phones helping or destroying communities?"

We are incredibly proud of their enthusiasm, confidence and thoughtful contributions throughout the event.
